Those entering as sophomores, juniors, or seniors are required to take one credit in Theology to fulfill the graduation requirement.
ELECTIVES	See page 5 of the Course Description Book for Opportunity Scholarship requirements
TOTAL CREDITS REQUIRED	25
WAIVER	With school and parent/guardian approval, a student may waive this course in favor of a more appropriate course. A student may waive Algebra II or Geometry; the student cannot waive both. A student is still required to take three units of math. If a student waives Chemistry or Physics, the student must still take three units of lab sciences. The school will address on an individual basis.
